

HANDI WIPES

HAND & SURFACE CLEANING WIPES

YOU CAN CLEAN WITHOUT DISINFECTING, BUT YOU CANNOT DISINFECT WITHOUT CLEANING.

HANDI WIPES are great for instant clean ups, whilst traveling or on the go. Also effective for cleaning hands in the work environment when accessibility to soap and water is difficult.

Easy to use in any situation, they help maintain cleanliness and hygiene by effectively removing all kinds of everyday gunk, dirt and grime.

Pre-moistened with a skin-friendly detergent and cleaning solution based on **OrganoMAX** ready-to-use and with no rinsing needed. Keep in your car, at home, in the kitchen, whilst entertaining, or enjoying your favourite snack while watching TV; and many other essential needs.

DIRECTIONS FOR USE:

1. Open seal on top of tub and pull out the wipe. Press down your finger on the hole and hold cloth whilst tearing on the perforated line.
2. For hands: wipe thoroughly until clean and then allow to air dry.
3. Do not mix with detergents or other chemicals.
4. Can also be used for wiping down hard, non-porous surfaces. Rinse surface thoroughly if there will be contact with food or it will be touched by young children.
5. Dispose of the wipes in rubbish bin. Do not attempt to flush down the toilet.
